

Cube: Visitor Attestation

In order to attend programs at ICERM, participants must be vaccinated and are required to sign an attestation form. As of June 17, 2022, this form can be accessed via Cube.

All participants planning to attend ICERM in-person will receive an email 30 and 3 days prior to the start of the program asking them to sign the form in Cube. Brown Employees are not required to sign the form.

If you are having any trouble accessing Cube or setting up your account, please contact support@icerm.brown.edu.
