

Open OnDemand Access to Oscar

Open OnDemand (OOD) is a web portal to the Oscar computing cluster. **An Oscar account is required to access Open OnDemand.** Visit this [link](#) in a web browser and sign in with your Brown username and password to access this portal.

Benefits of OOD:

- No installation needed. Just use your favorite browser!
- No need to enter your password again. [SSH into Oscar](#) in seconds!
- No need to use two-factor authentication multiple times. Just do it once, when you log into OOD.
- Workflow remains the same with or without VPN.

Once logged in you'll see a landing page that looks similar to the photo below:
